# SUMMER OF LOVE

## SPRING/SUMMER COLLECTION 2016

"SUMMER of LOVE" es un flashback al mítico concierto de San Francisco 67.

Nuestra Preppy "Lucia Rivera", desde su caravana hippie, dejará volar su imaginación para trasladarnos hasta allí, reinterpretando la estética de la época al estilo Preppy Girl.

Así que este verano "imagine" como John Lennon y luce tu pamelita XL. Cúbrete de flores, flecos y prints paperwall.

And remember .....

Hello! i'm PreppyLu 🐶

Surrounded by peace, flowers ...  
☺  
☺

and love ♡  
♡

and my  
preppy  
outfits too!!

Because... I'm  
Highly Preppy  
remember???

wish  
I could  
fly!!

Fly back to San Francisco 67

Fly to "Summer of Love"

but just  
let me  
think...

was it  
only  
a  
dream?

I will never leave  
my caravan

Some good music...

... and a  
fire at  
sunset

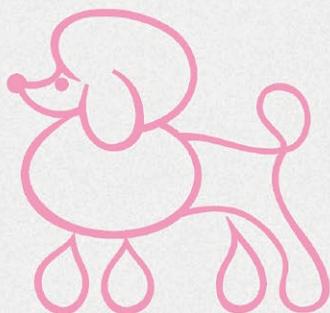

will make my own

🌸 SUMMER OF LOVE 🌸

Bye bye  
My PRETTY friends  
XOXO
