

Troops & Tribes

A woman with long, dark, wavy hair and red lipstick is the central figure. She is wearing a long-sleeved sweater with a vibrant, multi-colored geometric pattern in shades of red, blue, yellow, and black. She is posing in a snowy mountain landscape, with a large, dark, textured rock formation on the left and snow-covered trees in the background. Her hand is raised near her face, with her index finger pointing upwards.

HIGHLY PREPPY

AUTUMN / WINTER 2016

Troops & Tribes collection

En esta colección otoño/invierno 2016 las "Tribes", tribus del norte de América, desfilan de la mano de las "Troops", tropas que simbolizan a los primeros conquistadores del Nuevo Mundo.

Los ojos de una Preppy Girl recogen esta inspiración en su colección Troops & Tribes adaptándola a su estilo y a los tiempos actuales mediante infinidad de apliques y bordados con motivos tribales. Elementos army como galones, botones dorados y detalles de pedrería hacen referencia a la vestimenta de la época.

El frío del Ártico y sus pobladores Inuit llenan de inspiración las prendas de abrigo en pieles de animales con mucho colorido para un renglón de esta colección, estilo micro-cápsula, bajo el nombre "Skimo Adventure".

My Teepee and the snow
are my homeland

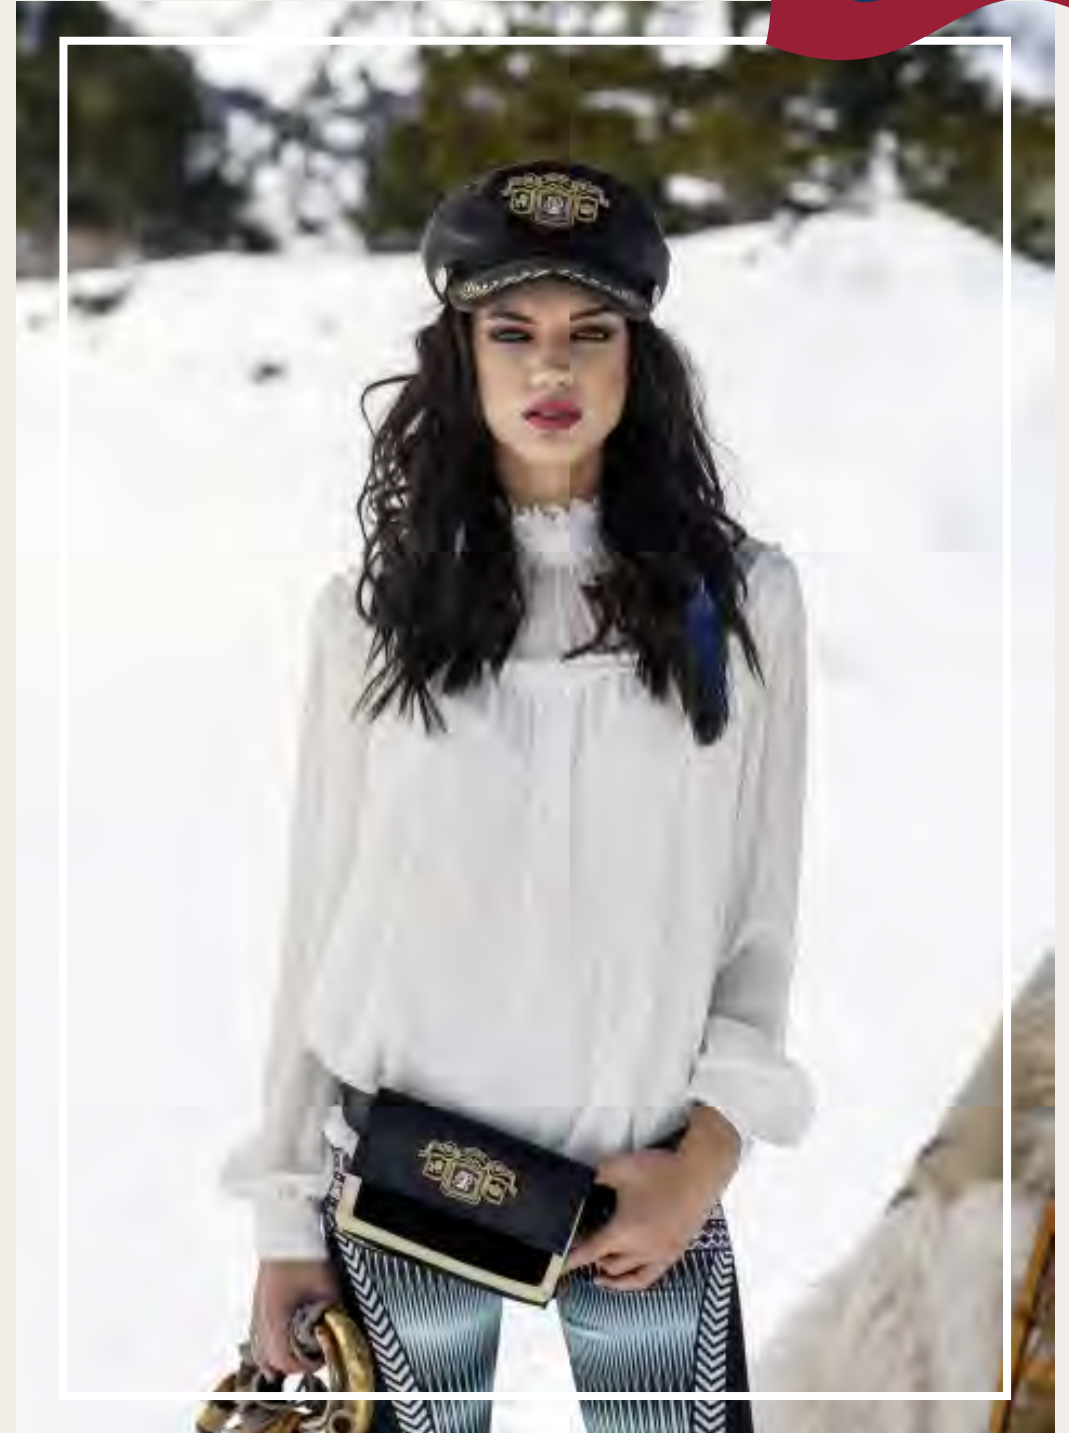

& my dogs, my real family.

My Dad was a
brave coronel

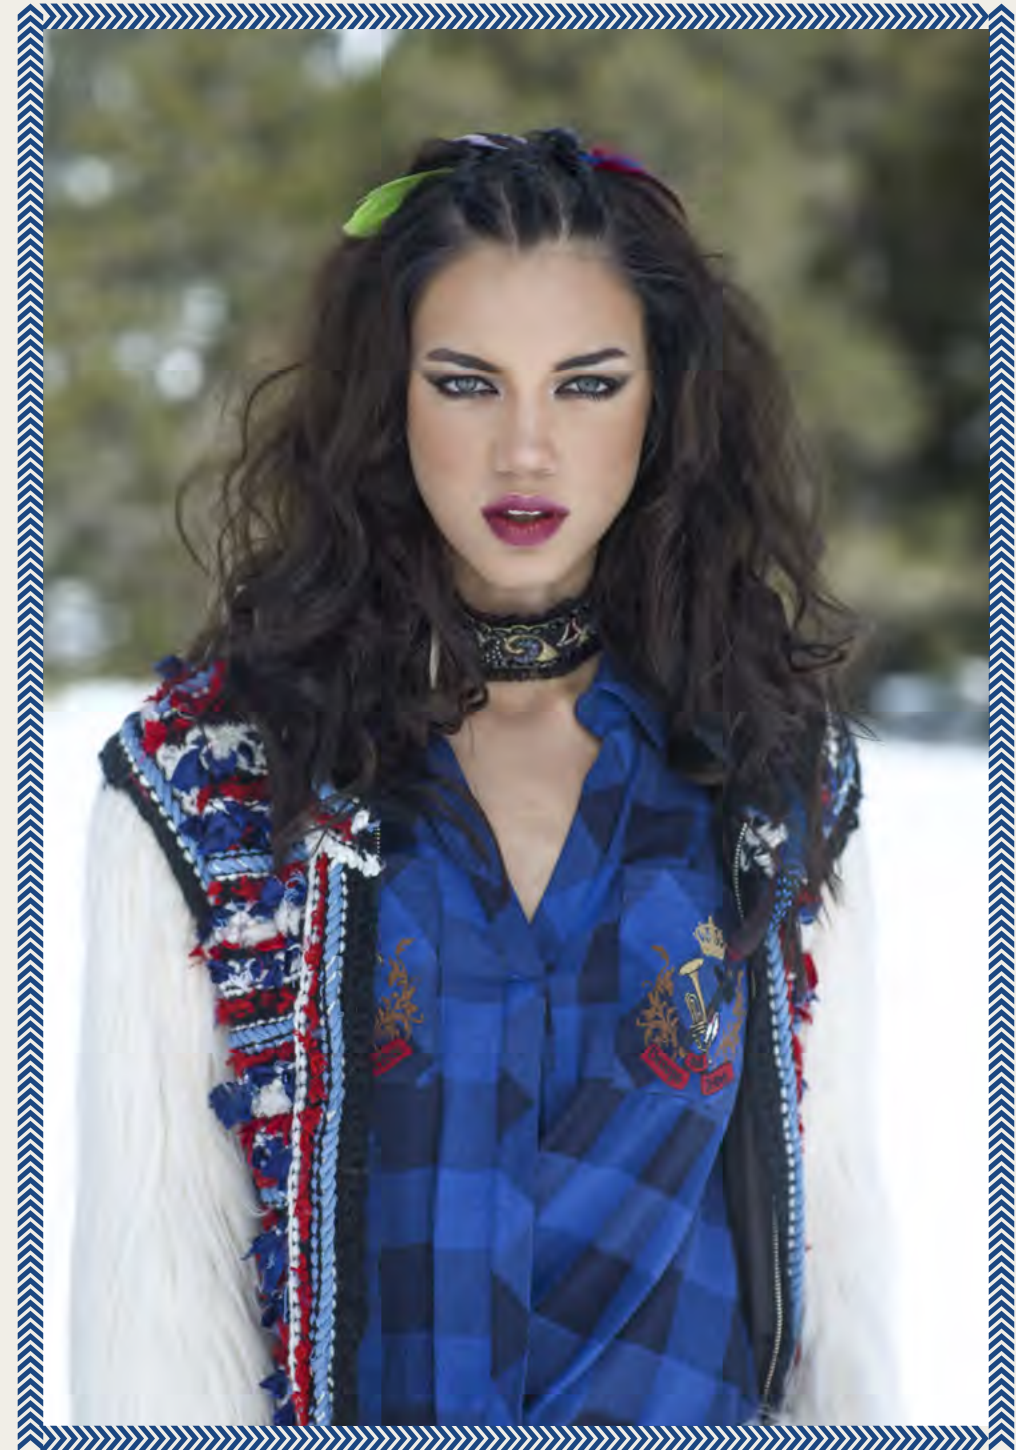

I got his eyes

and my Mom, the prettiest skimo
woman in the whole Arctic.

I got her wisdom.

Mixed blood runs
through my veins

but, sometimes I wonder
where I belong.

Who am I???

I can
be
"Troops"

could make a whole
army march...

and I can be "Tribes" 

...flying like a free soul
over the Arctic sky.

But would never be
able to choose.

*So I come to my dogs
for an answer*

Their eyes never lie!!!

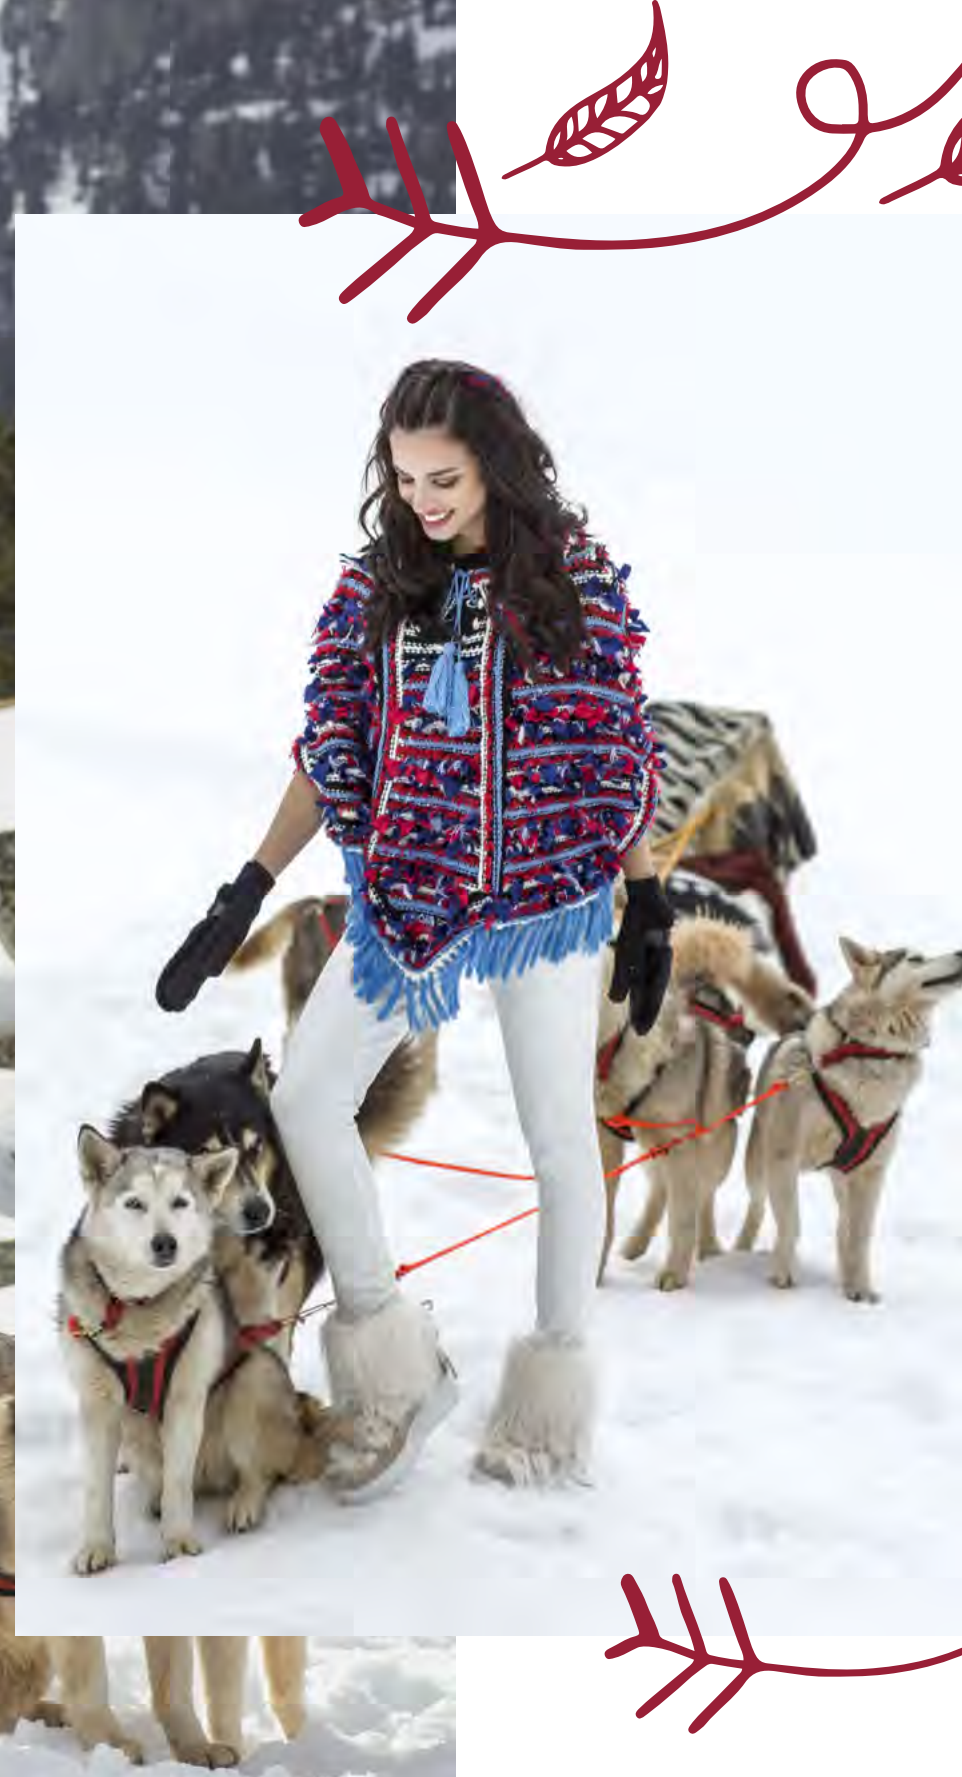

For we are just
the same

Mixed blood in
our veins!!!

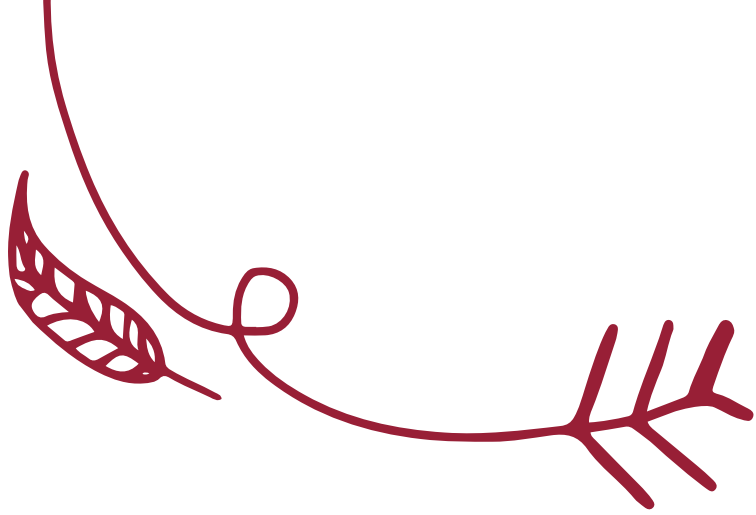

So... now I know my  
Preppy friends

A woman with long, dark, wavy hair is sitting in a snowy, rustic setting. She is wearing a black dress with intricate, colorful embroidery in shades of pink, red, and gold. The dress has a high collar and long sleeves. She is also wearing a black choker and black boots with lace-up details. She is surrounded by various items, including a large, dark, fur-lined hat, a metal lantern, and a metal container. The background is a snowy, mountainous landscape. The text "I'm simply both" is written in a red, cursive font in the top right corner. There are also red decorative elements on the left side of the image.

*I'm simply
both*

I'm
"Troops & Tribes"

Bye Bye

XoXo
